Beall encouraging the Lieste -
re London Conversations

IT - intervention in if G take over -
a legal end - work in allies - shouldn't also
apply to coup? Not enough time - Pres
spec forces ~~gangs~~ handle -

Ref to CIA work in CCs -

DCI - Dien Bien Phu - President ^{Adm} & others delighted

at relief map - went over it with Radford & Gen

Smith - Heavy fighting during week - with French

taking holding Etienne 1. Etienne 1 ~~has~~ still

dominated by Dominique Hill positions - New

strong point - hilly - French have dropped in 4

battalions since mid-March - one in the 7-12 April

period. ~~complaints~~ - French dropping 25X1C4c
from 8000 ft with 10-20% accuracy; ~~from 1000 ft down to 400~~

& putting supplies

right in. Complain over dodging flak as well as

supply canisters from above. Air cover at 13000

ft. ~~still~~ still doing a fine job plugging away.

~~4-13-52~~

have moved 13000 men in - many new recruits &
auxiliaries - 13000 more enroute - 1 regt 304 die
on the spot, another regt enroute
